

David S. Cohen, Variety

David S. Cohen covers visual effects, post-production and 3D for Variety. He has spearheaded Variety's expanded coverage of entertainment technology, including editing the new Tech page in Weekly Variety, and writing the Techbytes column in Daily Variety. He has worked in or covered the entertainment industry for more than 30 years, including stints as a stage electrician, stage manager, Off-Off-Broadway director, television writer and documentary writer-producer. He is also the author of "Screen Plays: How 25 Scripts Made It to a Theater Near You, For Better or Worse," from HarperCollins, and is now working on a book on the art, science and business of 3-D.
