

An accomplished producer, Ms. Alonso's career began at the nascency of the visual effects industry when she served as a commercial producer at the fledgling Digital Domain. Since then, she has VFX produced numerous films, working with such directors as David Fincher, Roger Spottiswoode (The 6th Day), Andrew Adamson (Shrek), Jon Amiel (The Core), Tim Burton (Big Fish) and Ridley Scott (Kingdom of Heaven). She served as Co-Producer on both Iron Man and Iron Man 2 with director Jon Favreau, and is currently co-producing Thor for director Kenneth Brannagh.
