Townhall meeting - great but no real feedback from non-board members. Everyone seems happy.

Megabrain Master Class

All topic suggestions came from Vincent Langer and Florian Gellinger.

What's in your set-supervision suitcase? Could be done by a couple of supes as a conversation.

OCIO and Aces – Abraham Schneider

Retopography of 3D scans, Photogrammetry and Lidar – David Salamon, RISE Cologne

Capturing lightfields and displaying them on a VR headset – Oliver Markowski

Cryptomatte - TBD

Do it yourself Lightstage – Oliver Markowski

Discussion in a bar afterwards – Oliver Markowski needs to pick bar next week.

Will use Zoom for Broadcasting and recording to disk, link for conference will be distributed to other screening sites. Recorded video will be added to the VES website.

Will send E-Blast Thursday next week with possible lineup, poll and pub night location.

Monday or Tuesday we'll reveal the final lineup.

Broadcast to the Eiszeit Cinema in Berlin? Holger Hummel will investigate.
