

VISUAL EFFECTS WORK HISTORY FOR

Name

Fill in this part completely, following the instructions. Applications submitted with missing or incomplete information will be held pending completion and may miss being counted in the current application period. We need the information in this format to verify your visual effects work experience. Work experience must exceed five (5) years, or sixty (60) months, within the preceding ten (10) years as described in Part 2 of the on-line application. Do not stop at five (5) years. We need your complete work history. Use project titles, and note employers or direct supervisors as appropriate. Indicate your job title or description clearly (Software Engineer, CG Supervisor, Effects Animator, Compositor, Special Effects Technician, etc.). Be sure to complete the beginning and ending dates. Start with your most recent work first. Use additional pages if necessary. You may submit this information on a separate document of your own making, but it must be substantially in the same format and contain all of the requested information. IMDb.com printouts or reference to IMDb.com are not acceptable and will not be considered as a complete application. You may also attach your resume, but only in addition to providing your work history in the format specified.
